

Dear Travel Partners ,

Greeting from Arion Holidays

The internet is changing the face of tourism industry. Now tourism businesses operate globally. The growing importance of strategic alliances in creating networks of business relationships has become a trend in Tourism Industry also.

As you know India is such a large country with diversity in term of languages , religions as well as in culture. Each area has some thing unique to offer to its visitors. Practically it could be difficult for any single agency to manage & market India as a tourist destination . So we are looking for strategic alliance from like minded entrepreneurs to be a part of our network to optimize service delivery and to tap the tourism potential.

The main tourism circuits in India is fairly well known. Some of the Tour packages that we may jointly operate are detailed in our website. Please come up with the proposal for the tour packages that you may like to operate in the region to which you belong . As an Inbound / Incoming /Receptive Tour Operator we will receive our overseas visitors at any of the International airport in India .

In this endurance we are also organizing a networking event .The major highlights of this networking event of its kind is to explore the mutually beneficial partnership & the tour package that we may exchange. The First Phase of this networking event is being organized at New Delhi , Mumbai, Kolkata and Chennai .

If interested please complete the registration detail to join us for this networking event .The actual date & venue shall be communicated to you later on .Check out our website & email /call us if you have any query.

With Regards
